

City of Mission - Shary Municipal Golf Course Fee Waiver and Discounted Rate Policy

PURPOSE

The purpose of this policy is to govern the provision of fee waivers or discounted rates for golf play at the City of Mission Shary Municipal Golf Course ("SMGC").

POLICY

The City of Mission may provide fee waivers or discounted rates for golf play at the SMGC by Qualifying Members.

Qualifying Members:

- Advisory Board Members – Members that are in good standing and currently appointed to the Golf Course Advisory Board.

Details of Fee Waivers or Discounted Rates

- Qualifying Members will be allowed to play once per week and will be required to only pay one of the following:
 - A trail fee, if a personal golf cart is furnished; or
 - A cart fee for the rental of an SMGC golf cart.
- For any additional play beyond once a week, Qualifying Members will be required to pay all applicable fees at the then-established rate(s).
- These playing privileges may not be passed on to non-Qualifying Members including but not limited to family, friends, affiliates, etc.
- These playing privileges are for normal course play and do not include leagues or tournaments.
- If a privilege is not taken within the week, such privileges cannot carry over to subsequent weeks and are not transferrable to another Qualifying Member.

Revocation of Fee Waivers or Discounted Rates:

Abuse of playing privileges by Qualifying Members may result in the fee waiver or discounted rate being revoked.

Review and Approval:

The City has the right to change/modify fee waivers or discounted rates at any time. These decisions are final and cannot be appealed.
