Applicant: Charco Land Sales c/o Radcliffe Killam II, Adoption of Ordinance # _____ – Cervantes

NATURE OF REQUEST:

Project Timeline:

- April 15, 2025 – Application for rezoning submitted for processing.
- April 23, 2025 – In accordance with State and local law notice of the required public hearings was mailed to all the property owners within a 200' radius of the subject tract and notice of hearings was published in the Progress Times.

- May 12, 2025 – Public hearing and consideration of the requested rezoning ordinance by the City Council.

Summary:

- The applicant is requesting to rezone the subject property from Agricultural Open Interim ("AO-I") to Heavy Commercial District ("C-4") to allow the development of a commercial plaza or a convenience store. The property has a commercial structure and a home
- The property owner would like the flexibility to develop the property under the heavy commercial allowed uses.
- The subject property measures 234.42' along the Railroad right-of-way along the East side of Conway Boulevard and it has depth of 469.72'. There is a physical connection from Conway Boulevard to the subject property through the railroad right-of-way. This will be used to access the site.
- The surrounding zones are Agricultural Open Interim District ("AO-I") to the South and North, Planned Unit Development District ("PUD") to the East and Light Industrial District ("LI") to the West.
- The existing land uses are: Vacant to the West, South and North and a single-family subdivision under construction to the East.
- The Future Land Use Map shows the subject property as General Commercial District. The subject property is in transition and staff finds Heavy Commercial uses as an acceptable alternative due to the fact that it is a corner of two major commercial corridors.
- Notices were mailed to five (5) surrounding property owners. To this date there have been no objections to the rezoning request.
