

MEETING DATE: September 25, 2023

PRESENTED BY: Abel Bocanegra, P.E., City Engineer

AGENDA ITEM: Approval of a Memorandum of Agreement between The Lower Rio Grande Valley TPDES Stormwater Task Force Partnership, Inc. and the City of Mission - Bocanegra

NATURE OF REQUEST:

Memorandum of Agreement between The Lower Rio Grande Valley TPDES Stormwater Taskforce Partnership, Inc. and the City of Mission for the preparation of a Regional Texas Pollutant Discharge Elimination System (TPDES) Stormwater Permit Application and Stormwater Program Plan. The specific purpose of the Task Force is to assist members in complying with state and federal environmental regulations and to assist stakeholders with environmental protection goals that are best served by a regional approach. Each City executes this SWMP MOA every 5 years. The SWMP MOA will allow for a new SWMP that replaces the old one. There is a one-time fee of \$8,000.00. The SWMP MOA remains active until the City receives its new MS4 permit. Once the permit is received, the MOA is complete and it closes. This usually takes about 1 year.
