

**MEETING DATE:** February 24, 2026

**PRESENTED BY:** Juan Pablo “JP” Terrazas, P.E., Co-Interim City Manager

**AGENDA ITEM:** Ratification of emergency repairs in the amount of \$317,600 to the 5125 Company for emergency service repairs at the lift stations located on the Northwest and Southwest corner of Bryan Road and Expressway 83 and at Rosalinda Street in accordance with Local Government Code, General Exceptions, Paragraph 252.022 (a)(1)(2) - Terrazas

**NATURE OF REQUEST:**

In accordance with Local Government Code, General Exceptions, Paragraph 252.022 (a)(1)(2) “a procurement made because of a public calamity that requires the immediate appropriation of money to relieve the necessity of the municipality’s residents or to preserve the property of the municipality” and “a procurement necessary to preserve or protect the public health or safety of the municipality’s residents”, hence staff is seeking authorization as an “Emergency Purchase”.

Sewer backup was being experienced near Mission Hospital and the Mission Event Center. After evaluating the situation, the discharge pipes had developed perforations, likely from corrosion and ase-related deterioration. These openings allowed wastewater to leak out before reaching its intended destination reducing system pressure and preventing proper flow. Wastewater accumulated within the system and capacity was exceeded, sewage backed up into upstream lines and nearby structures, creating unsanitary conditions and increasing the risk of property damage and public health hazard.

Request to ratify payment for repairs to The 5125 Company for \$317,600.00. A budget amendment will be presented for approval at mid-year.
