### **NATURE OF REQUEST:**

Sharyland ISD hosts the Top Ten Banquet annually which is a high-profile incentive event for all students who strive for superior academic performance throughout their school career. It validates the years of hard work, dedication, and sacrifice made by the leading students.

This recognition goes beyond simple grades, acknowledging students who demonstrate consistency and mastery across a broad curriculum. This banquet also highlights students who exemplify qualities like perseverance, intellectual curiosity, and leadership, traits the district wants to cultivate in the entire student body. Highlighting their achievements can inspire other students to engage more deeply with their studies and pursue challenging coursework.

The banquet event itself creates a moment of collective pride, uniting families, teachers, and the local community in celebrating student success.
