Re: City of Mission TCAP Membership Termination Notice

Dear Ms. Somereve:

The City of Mission respectfully submits this written notice of its decision to immediately terminate its Professional Services Agreement and Commercial Electricity Service Agreement with the Texas Coalition for Affordable Power, Inc. (TCAP), in accordance with the terms of the existing contract.

We appreciate the services, support, and partnership that TCAP has provided to the City over the course of its membership. This decision was made following a careful review of the City's operational and strategic initiatives and reflects what we believe to be in the best overall interest of our community moving forward.

The City acknowledges that this termination may result in early-termination damages as outlined in the contract, which we will comply with all contractual obligations associated with this notice. Thank you again for your dedication and continued professionalism. We value the relationship that has been built over the years and wish TCAP continued success.

Sincerely,

Andy Garcia
Co-Interim City Manager
