The machines sell for \$15,000 each.

Can you get us an estimated value for each machine? As per David Flores... again. We need to mention in the agenda item that we are wanting to accept the donation from Grand Prairie. No account number will be needed.

Juanita, David Flores says you can ask Anna Carrillo for assistance on how to properly state this on the agenda item.

Chris, he says the email thread you and Chief Thorn is enough proof, no letter is needed.

Thank you,
Jackie

We don't expect them back ever. We just wanted someone to be able to benefit from them. We did not have the personnel to maintain 8 machines everyday logistically. You guys enjoy.

Thanks

Good afternoon Chief Thorn,

Our purchasing department would like clarification, you are giving us the three EMS vending machines free of charge and do not expect them to be returned to your department, correct?

That works for me. Chief Farris had them moved to the bays at the stations. I took all the pictures of the configuration of each machine and sent them. I think we are ready to go.

Good Afternoon Chief Thorn,

I hope this email finds you well and that you are off to a great 2024. I wanted to reach out to you and see if the machines are still available. If so, we are planning on picking up the machines on Wednesday, February 7th, 2024. Does that day work for you?
