SUMMARY OF QUALIFICATIONS

- 40 years experience in engineering and aviation environments, including domestic and international project management, system engineering, network management, installation and testing of airport/aviation communications systems.
- Experience in baggage system design and installation, including the acceptance testing of the integration of inline and stand alone baggage security systems at DFW, LAX, BOS, ORD, PHL, MFE, IAH, DAL, SJU, AUS, MIA, and TPA airports and contributed to problem resolution on those systems.
- Demonstrated ability to build rapport and resolve complex issues among multiple entities with conflicting interest including a telephone central office design problem, which had gone unresolved for 25 years.
- Extensive hands-on experience throughout career, including problem solving difficult technical issues.
- Self motivated, Can-Do-Attitude presenting integrity and professionalism to problem resolution.

PROFESSIONAL EXPERIENCE MANAGEMENT

- Supervised the successful ACARS Upgrade project enhancing data radio communication between US airports and enroute aircraft. Resolved a firmware design problem with control unit. Identified a hardware design flaw in the proposed control equipment preventing unnecessary delay and expense.
- Managed the installation of a 400 position San Jan Puerto Rico Reservation Center on schedule and within budget including the integration of additional capacity and enhanced network management.
- Responsible for the procurement/shipping and maintenance of \$18 million dollars worth of communications equipment annually.
- Directed the procurement, installation and test check-out for material/baggage handling and cargo systems. Reviewed and revised technical specifications and related project drawings. Presented information to management on cost, schedule and budget.
- Lead design team of a governmental ship to shore HF project. Designed system from the ground up including basic control circuit board design and build, procurement of all parts, prototype development and testing, training manuals, operating procedures and installation.
- Supervised engineering staff to plan, develop and design complex communications networks including network management. This included responses and presentations to RFPs and RFQs.

Mario Chapa Resume Cont'd

ENGINEERING

- Designed T1 carrier span lines and provided field assistance for problem solving. Assisted Bell Labs engineers with the testing and problem resolution of the first T3 carrier system in Texas.
- Lead test teams with hands on involvement, including microwave path profile calculations, to upgrade performance of approximately 35 sites of the USAF Kanto Plains Microwave System near Tokyo Japan.
- Provided engineering expertise in problem solving issues of the Motorola Trunk Radio System and Centracom consoles, which provided mobile communications to DFW airport personnel.
- Established field support of the secure/non-secure HF voice/data network supporting Air Force One. Performed diagnostic testing and maintenance.
- Introduced to Sabre at American Airlines the IBM network computer. Upon my technical analysis and recommendation, the IBM network computer was installed and utilized by American Airlines travel agencies, airport ticket counters and other airline office environments.

Antonio Lozano Jr.

Bio information for nomination as a candidate for the Board of Directors of the Hidalgo County Appraisal District

I am a retired educator with 36 years of experience. I graduated from Mercedes High School in 1970 and then earned my teaching certificate from Pan American University in 1976. While teaching for 8 years I continued my education and earned a Master's Degree in Educational Administration from Pan American University. While in Mercedes I worked at both the local Jr. High and High School as an asst. principal. After those experiences I was appointed as an Elementary Principal at Taylor Elementary. As my tenure continued in Mercedes I was also appointed to lead as Director of several local and federal programs. In Mercedes I spent 4 years as an elected City Commissioner and Mayor Pro Tem. After that I was appointed to the Mercedes Housing Authority where I spent 4 years as a member and Chair. In 1993 my family and I became residents of Pharr and I started serving my community as a Boys and Girls Club Director and later was appointed to the Pharr Housing Board where I served for 15 years as a member and Chair of the Board. After 25 years with Mercedes ISD, I started working with the PSJA ISD for a total of 11 years. While working for PSJA ISD I was appointed Principal of Buell Alternative High School for 4 years, Principal of North High School for 4 years and then finished my last 3 years as the Director of the newly established Energy Department. My family and I have been active members of St. Anne's Church in Pharr for over 20 years. I have been an active member of the Knights of

Columbus for over 40 years in Mercedes and now currently an active member with the Knights of Columbus in Edinburg. My wife and I are proud home owners and taxpayers to our City, our School District and our County. We are proud to say we have never failed with that obligation. Though retired we believe it is our responsibility to continue to serve our Community, our Schools and our Church. Thank you for your consideration.
