Subject: Contract Renewal Proposal for Contract #22-006- 10-14

Dear Ms. Cantu,

Polydyne Inc. would like to thank the City of Mission and you for your interest in a one-year renewal of the above-referenced agreement. While we are pleased to extend, we must request a reasonable price adjustment to do so.

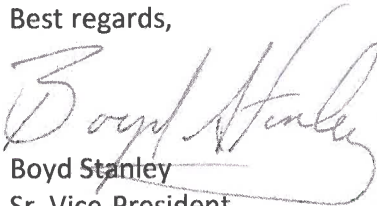

Over the last year, the cost for manufacturing and suppling polymer has continued to escalate and we are unable to continue to absorb these increases. Please be assured we are closely monitoring our costs and working to remain the low-cost polymer supplier.

In accordance with the terms of our Agreement, effective November 15, 2022 through November 14, 2023, we shall supply the following:

Product	Package	Current Unit Price	New Unit Price
CLARIFLOC CE-2354	2300 Lb. Totes	\$1.49/Lb.	\$1.61/Lb.

It has been a pleasure doing business with the City of Mission and we look forward to continuing our valued partnership. Should you have any questions, please feel free to contact Marcus Ortiz at (281) 633-6086 or by email at [mortiz@polydyneinc.com](mailto:mortiz@polydyneinc.com).

Best regards,

Boyd Stanley  
Sr. Vice-President
