REVIEW COMMENTS: Staff notes that this item had been considered by P&Z on January 13, 2021 but it was tabled to address some of the concerns voiced during the meeting. The concerns voiced referenced lift station ownership and replacement. Since then, the lift stations have been decommissioned and are no longer in service they are now on City sewer.

Staff notes that the proposed zone complies with the surrounding land uses. Staff believes an R-1 would be a better neighbor for this area.

On January 24th, 2024 staff received a petition from property owners within the 200' radius reflecting 31% opposition to this request.

RECOMMENDATION: Staff recommends approval.

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest any change of the Land Development Code which would zone the property to any classification other than AO-1. According to AO-1 purpose for zoning, "It is the intent of this district that agricultural land be held in that use for as long as is practical and reasonable. This zoning is suitable for areas where development is premature because of the lack of utilities, capacity, or service, or where the ultimate land use has not been determined." Even though the City of Mission has improved some of the infrastructure, the lift station by Crystal Drive still emits atrocious odors and has never been removed as it was on Circle Drive. There is no resolution from the City of Mission's utility office because supplies are not available to reduce these odors. Also, the contractors on the lift station project removed the chain link fence of over 100 feet and have never replaced it, thus has made an entry way for vehicles to turn from Lakeview Drive to Inspiration Road illegally. This has been reported more than once, but still not fixed. Many days, the water pressure in this neighborhood is extremely low in the mornings and adding more housing will only exasperate this issue. Because the houses are already close together south of tract 2, guests utilize the street in front of tract 2 for parking. In conclusion, I and those signing below are requesting the rezoning denied "because of the lack of utility capacity."
