AGENDA ITEM: Approval of Public Highway At-Grade Crossing Agreement with Union Pacific Railroad Company for the existing at grade public road crossing over Taylor Road in the amount of \$72,500.00 - Terrazas

NATURE OF REQUEST:

The City of Mission utilizes the Railroad's property for the existing at grade public road crossing over Taylor Road, (leased to the Rio Valley Switching Company).

The City of Mission desires to undertake as its project the reconstruction and widening of the existing at grade public road crossing for the installation of new signals and sidewalks.

The Railroad right of way being utilized for the existing at grade public road crossing is not sufficient to allow for the reconstruction and widening of the Roadway. Therefore, under this Agreement, the Railroad will be granting additional rights to the City to facilitate the reconstruction and widening of the Roadway.

In support of the project, the City has requested the Lessee's cooperation in connection with installing grade crossing protection device and installing the necessary relays and other materials required to interconnect and coordinate the operation of said railroad grade crossing protection devices with the operation of highway traffic control signals. Work is to be performed at the expense of the city.
