

**MEETING DATE:** March 24, 2026

**PRESENTED BY:** Michael Elizalde, Director of Grants & Strategic Development

**AGENDA ITEM:** Authorization to enter into a Memorandum of Understanding between the City of Mission and the LRGVDC, and the RGV MPO regarding implementation of the RGV Bicycle Pedestrian Counter Data Program – Elizalde

**NATURE OF REQUEST:**

The City of Mission Hike and Bike Trail has been selected to participate in the Regional Bicycle Pedestrian Counter Project due to its access to schools, local businesses, dense neighborhoods of low socioeconomic profiles, and connections to other recreation options. In an effort to help improve trail and sidewalk networks, the City of Mission agrees to participate in the installation of distributed renewal equipment to include replacement loggers and battery packs of the previously installed bicycle pedestrian counters and software at its Hike and Bike Trail for data collection of trail users. The participation of this program will be at no cost to the City of Mission and only requires a designated point of contact for their data collection efforts.
