RE: Request to Waive Park Fees and turn on Baseball Field Lights at Jaycee Park & Leo Peña Placita Park

Dear Mr. Bentsen,

I am writing on behalf of Seek & Save – Hope for the Valley to respectfully request that the City of Mission consider **waiving any park usage or facility fees for both Jaycee Park and Leo Peña Placita Park** in connection with our upcoming community outreach events.

Our events will bring members of the community together for an evening of outreach, fellowship, and support for families and individuals in the Valley. As an organization dedicated to serving and supporting our local community, a waiver of the park usage fees would greatly assist us in being able to provide these events and resources to local residents.

In addition to the fee waiver, we respectfully request that the **baseball field lights at Jaycee Park be turned on for our event on Wednesday, October 14th**, as well as the **lights at Leo Peña Placita Park on Friday, October 16th**.

Having the lights available at both locations will provide the necessary lighting for our events and help ensure a safe and welcoming environment for everyone attending.

We greatly appreciate the City of Mission and the Parks and Recreation Department for considering our requests and for supporting community events that serve local residents.

Please let us know if there is any additional information required to process the park usage fee waiver or to arrange for the lights to be turned on at both locations.

Thank you for your time and consideration. We sincerely appreciate your support of Seek & Save – Hope for the Valley and our efforts to serve the community.

Sincerely,

Diego Castaño
