AGENDA ITEM: Conduct a public hearing and consideration of a Conditional Use Permit Renewal to keep three (3) portable buildings in a (P) Public Zoning District, being Lot 1, Nido De Aguila Subdivision, located at 915 W. Expressway 83, Applicant: Excellence in Leadership Academy, Adoption of Ordinance #_____ - Cervantes

NATURE OF REQUEST:

Project Timeline:

- May 18, 2026 – Application for Conditional Use Permit (“CUP”) submitted to the City for processing.
- June 19, 2026 – In accordance with State and local law, notice of required public hearings was mailed to all property owners within 200 feet of the subject tract, and notice of public hearings was published in the Progress Times.
- July 1, 2026 – Public hearing and consideration of a Conditional Use Permit by the Planning and Zoning Commission.
- July 28, 2026 – Public hearing and consideration of a Conditional Use Permit by the City Council.

Summary:

- The subject site is located at the Southwest corner of S. Olmo Street and W. U.S. Expressway 83 Frontage Road.
- Per Code of Ordinance, portable buildings require the approval of a Conditional Use Permit by the City Council.
- The applicant is requesting to keep three (3) 24' x 70' portable buildings for Excellence in Leadership Academy a public charter school. As a public charter school, the funding is solely determined by student enrollment and attendance. Like many other schools, they experienced a significant decline in enrollment during the COVID-19 pandemic, which affected both revenues and long-term capital planning. The school currently has 167 students and uses the buildings as classrooms. The portable buildings accommodate 2 classrooms each for a total of 6, which will allow for 20 students per classroom. Access to the facility is available from Expressway 83 and South Olmo Street. Student drop-off will be located along the east side of the building.
- The proposed days and hours of operation are Monday–Friday from 8:00 am to 5:00 pm on regular days and during the summer from 8:00 am to 12:00 pm
- Staff: 4 teachers
- Parking: The educational component of the church will operate during the non-church hours and utilize the existing 239 parking spaces on-site.
- The last conditional use permit for this location was approved on August 12, 2025, for 1 year, at which time the applicant would need to apply for a permit to construct a permanent structure

at this location. The applicant is currently leasing the facility from the Luz para las Naciones Church.

- The current plan is to request a renewal for the portables due to declining enrollment and due to the budget being reduced for the year. They are not requesting a permanent exemption, only time and flexibility to rebuild responsibly. Removing the portable buildings at this time would disrupt instruction and possibly require them to reduce enrollment as well.
- The Planning staff has not received any objections to the request from the surrounding property owners. Staff mailed out (43) legal notices to surrounding property owners.
- In accordance with the zoning ordinance, the P&Z and City Council may impose requirements and conditions of approval to ensure that a use requested by a Conditional Use Permit is compatible and complementary to adjacent properties.

STAFF RECOMMENDATION:

Staff recommends approval of the request, subject to compliance with the following conditions:
