Subject: Distributor for Municipal Engineered Systems Water and Wastewater Market

To Whom It May Concern:

The Gorman-Rupp Company is a world leader in the production of pumps and engineered equipment for diversified markets. Our marketing strategy has been to establish a network of factory authorized distributorships trained to apply equipment unique to specific hydraulic applications. Some examples of these are construction, petroleum, industrial, water and wastewater. Our distributors are specialists and very knowledgeable within their defined market area and dedicated to helping you select and maintain the proper equipment for your application.

Please be advised that A-Squared Water Treatment is the sole authorized distributor for Municipal Water and Wastewater Pumps, Lift Stations and parts for the State of Texas. A-Squared Water Treatment is responsible for supplying all Gorman-Rupp pumps and Gorman-Rupp parts used in municipal water and wastewater lift stations or treatment plants, including individual units installed in municipal collection systems.
