SECTION 1: The Petition submitted to the City by the Petitioners was filed with the City Secretary and complies with Section 372.005 of the Act.

SECTION 2: Pursuant to the requirements of the Act, the City Council, after considering the Petition for the proposed District and the evidence and testimony presented at the public hearing, hereby finds and determines:

These Authorized Improvements shall promote the interests of the City and confer a special benefit on the property with the District.

(c) Estimated Cost of the Authorized Improvements. The estimated total costs of the Authorized Improvements, together with bond issuance costs, eligible legal and financial fees, eligible credit enhancement costs and eligible costs incurred in establishment, administration and operation of the District, is \$18,000,000.00, excluding interest, which costs shall be paid by assessment of the property owners within the proposed District. The City will not be obligated to provide any funds to finance the Authorized Improvements, other than from assessments levied on real property within the District, if created. The City and developer(s) may be reimbursed for the costs of certain specified Authorized Improvements from assessments levied within the District. No City property in the District shall be assessed. The developer(s) may also pay certain costs of the Authorized Improvements from other funds available to the developer(s). (d) Boundaries. The District is located in the corporate boundaries of the City of Mission, Texas and its boundaries are described in Exhibit A hereto.

(e) Method of Assessment. The City shall levy assessments on each parcel within the District in a manner that results in the imposition of an equal share of the costs of Authorized Improvements for each parcel within the District similarly benefitted by such Authorized Improvements. The proposed method of assessment shall be determined by the City in accordance with the provisions of the Act in a manner that results in imposing equal shares of the cost on property similarly benefitted. All assessments may be paid in full at any time (including accrued and unpaid interest, if any), and certain assessments may be paid in annual installments (including accrued and unpaid interest, if any). If an assessment is allowed to be paid in installments, then the installments must be paid in amounts necessary to meet annual costs for those Authorized Improvements financed in part by the assessment, and must continue for a period necessary to retire the indebtedness on those Authorized Improvements (including any interest and principal amortization). A report will be prepared showing the special benefit accruing to the property in the District and how the costs of the public improvements are assessed to property on the basis of special benefit.

(f) Apportionment of Cost between the City and the District. All cost of the proposed public improvements will be paid by assessments of the Property within the District and from other sources of funds, if any, available to the City or developer(s). Unless otherwise agreed upon by the City, the City will not be obligated to provide any funds to finance the proposed public improvements.

(g) Management of the District. The District shall be managed by a Board of Directors (the *Board*), representing a partnership between the City and the private sector,

who shall, with the assistance of a consultant, from time to time (and at least annually) advise the City regarding the operations of the District and perform other governance activities of the District to the extent permitted by this Resolution and the PID Act.

1. The Board shall be comprised of five (5) directors, each director being appointed by the City.
2. The initial Board shall consist of directors appointed by City by separate action of City Council.
3. The directors shall serve an initial term of three (3) years from the date appointed by the City Council. Thereafter the directors appointed to odd-numbered positions shall be appointed for three-year terms, while directors appointed to even-numbered positions shall be appointed for two-year terms.
4. The City Council hereby assigns the Board the obligation to manage the PID and prepare and present to the City a service and assessment plan and assessment roll on an annual basis. All actions of the Board shall be evidenced by approved minutes which will be maintained as records of the Board.
5. Though the day-to-day management of the District is delegated to the Board, the City reserves exclusive right and jurisdiction over the District's ability to levy assessments, approve the District's annual budget, and obligate funds on deposit or to be deposited from assessments. The City also reserves the right to inspect any and all books, accounts, and records of the District and perform audits of such books, accounts, and records upon reasonable notice to the District. The Board and any agents or employees of the PID shall cooperate in any inspections or audits by the City.

(h) Advisory Body. The District shall be managed without the creation of an advisory body.

SECTION 3: The District is authorized and created as a Public Improvement District under the Act in accordance with the findings set forth in this Resolution as to the advisability of the services and improvements. The District shall be subject to the terms, conditions, limitations, and reservations contained in the findings of Section 1 of this Resolution.

SECTION 4: The City Secretary is directed to coordinate the filing of a copy of this Resolution with the county clerk of Hidalgo County not later than the seventh day after the date of adoption of this Resolution. This Resolution shall take effect and the District shall be deemed to be established effective upon adoption of this Resolution. The District can be terminated as provided by law.

SECTION 5. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

SECTION 7: This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 8: If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and this City Council hereby declares that this Resolution would have been enacted without such invalid provision.

SECTION 9: It is officially found, determined, and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, as amended, Texas Government Code.
