**TO:** MAYOR AND CITY COUNCIL  
**THROUGH:** MIKE PEREZ, CITY MANAGER  
**FROM:** JESSE LERMA, 311 COORDINATOR/CIVIL SERVICE DIRECTOR  
**SUBJECT:** 311 REPORT, APRIL 2024  
**DATE:** MAY 2, 2024

---

We have a total of 974 submission for April of 2024 with a total of 7160 since we began. The system is fully functional and very user friendly. We are able to customize the system to meet the needs of our daily operations. Our staff has bought into the system and working on improvements every day. We are able to find problematic areas using the system and it allows for us to attend to the needs of those areas in a timely manner. We try to contact as many residents as possible and are getting feedback from them to improve the system.

Our media department has been pushing the 311-program encouraging our citizens to utilize the program.

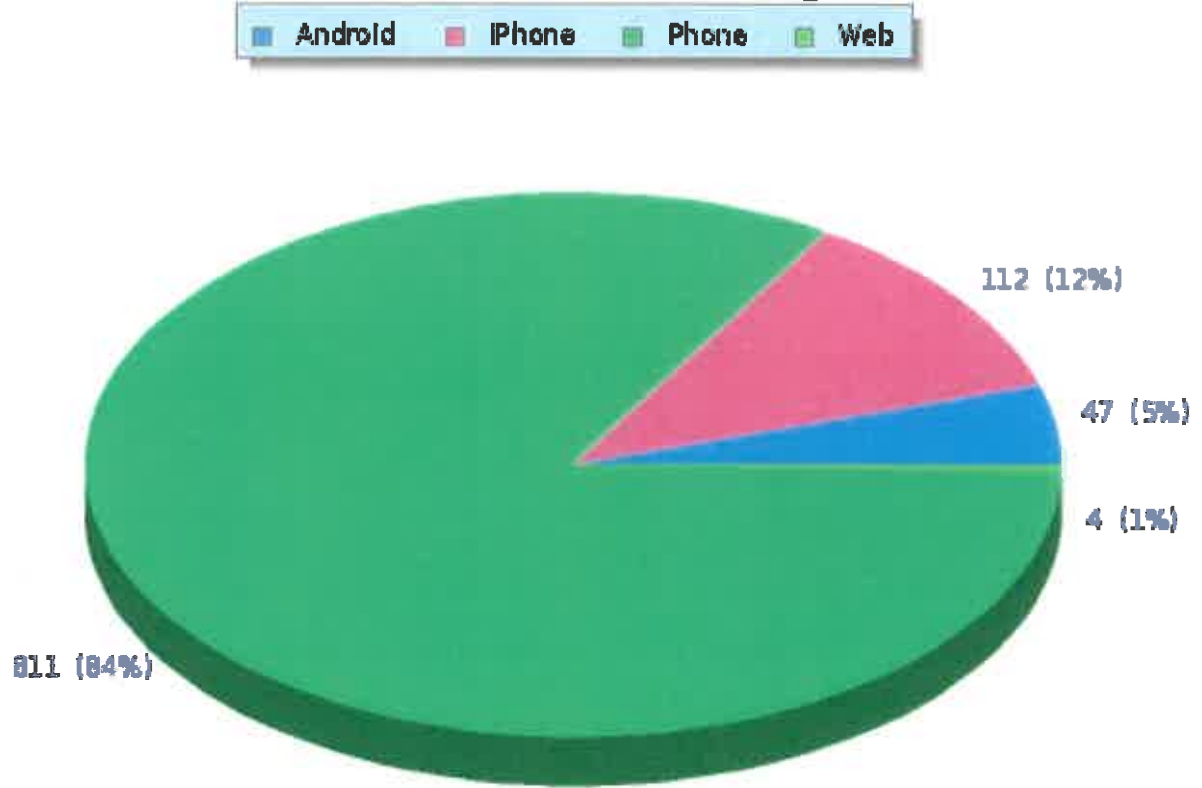

Thank you!

## Project Abstract

The Office of Emergency Management (OEM) coordinates with Hidalgo County emergency management program to prepare, prevent, plan, respond and recover from all-hazard events. The OEM develops, maintains and implements the ability to direct, control, manage and coordinate emergency operations in cooperation with local, State and Federal governmental and private sector agencies.

### Preparing the County for Emergencies

- **County-wide Incident Management System:** All emergencies within the county are managed in accordance with NIMS/ICS principles.
- **Continuity of Operations Planning (COOP):** OEM manages the County COOP program, which ensures essential public services are available during/ following emergencies.
- **Emergency Planning:** OEM develops, maintains, and coordinates a comprehensive emergency management plan with Hidalgo County and neighboring Municipalities within the County.
- **Training and Exercises:** OEM conducts responder and staff training and exercises to test plans and response capabilities to identify areas of improvement.
- **Incident Monitoring:** OEM monitors local, regional, national incidents for their impact on the county in order to provide decision makers with vital information and warning.

## Coordinating Emergency Response and Recovery

- **Emergency Operations Center (EOC):** During major events, the EOC is the focal point for information coordination, resource requests, and decision making.
- **Incident Management:** OEM provides on-scene command, control, and communications.
- **Incident Management Team (IMT):** OEM participates in regional Incident Management Team providing regional/local jurisdictions with a cadre of NIMS trained staff support to local Incident Commanders.
- **Public Warning:** OEM coordinates with elected/appointed decision makers, Public Information Officer, and surrounding entities to provide vital warning and information to the public.
- **Recovery and Relief:** Following an emergency, OEM works with government agencies, businesses, and non-profit organizations aiding and relief to citizens in Hidalgo County.
