City of Misison
Attn: Roel Mendiola
105 Abelino Farias Road
Mission, Texas 78572

Dear Mr. Mendiola,

As a holder of Buy Board contract # 723-23 for Battle Motors chassis, we are pleased to provide the City of Misison a quote on a Battle Motors LET2 - Right Hand Drive chassis with a Heil 28 yard Durapack Python. Attached is a copy of the chassis and body specifications for your review. These specifications are based on a proposal from HOLT Truck Centers of San Antonio.

In summary, each LET2 - Right Hand Drive chassis with a Heil 28 yard Durapack Python would cost \$433,181.00 FOB Mission, Texas. This quotation reflects the pricing on a per chassis basis. An order of 1 truck(s) including the \$400 BuyBoard fee will be \$433,581.00.

If you have any questions about the chassis, please contact Olivia Maya at our San Antonio location. If you elect to purchase this truck, the purchase order must be made out to HOLT Truck Centers and sent to the attention of Cody Partain at cody.partain@holttruckcenters.com

We appreciate your time in allowing us to quote your refuse needs and look forward to doing business with the City of Misison.

Sincerely,

Cody Partain
