

TEXAS GENERAL LAND OFFICE
COMMISSIONER DAWN BUCKINGHAM, M.D.

May 12, 2026

The Honorable Norie Gonzalez Garza
Mayor, City of Mission
1201 East 8th Street
Mission, Texas 78572

RE: Disaster Recovery Reallocation Program Invitation to Apply for Project DRRP-231-1289

Dear Mayor Garza:

The Texas General Land Office (GLO) has completed the review of all submissions from the call for projects for the Disaster Recovery Reallocation Program (DRRP). As a result of this review, the GLO is inviting the city of Mission to apply through our Texas Integrated Grant Reporting (TIGR) portal for funding of the following:

- \$2,000,000.00 for Street Improvements
- Impacted by 2018 Floods

This TIGR portal application will be required to match the call for projects submission for the above referenced project including the following:

- CDBG-DR amount: \$2,000,000.00;
- Activity type: Street Improvements;
- 2018 Floods tie-back;
- Non-CDBG leveraged amount of \$200,000.00;
- National objective utilized: Low- and Moderate-Income (LMI);
- Project located within the service area of the city of Mission;
- Contract completion timeline of 24 months; and
- Confirmation that a financial audit has been completed for the most recently completed Fiscal Year.

Changes between the initial call for project submission and the project application will jeopardize project eligibility.

The DRRP application will be available on the TIGR Portal on Friday, May 15, 2026. The application submission is due Friday, June 26, 2026, at 5:00 p.m. Failure to submit the application by the deadline will forfeit this invitation. Additional details on the application process may be

found on the GLO's website ([LINK](#)). To avoid delays with application submission, please ensure that all of the appropriate individuals for your jurisdiction have access to the TIGR Portal. Access must be requested by the jurisdiction through the TIGR Access Form located on the GLO's website. Please contact the GLO via email at cdr@recovery.texas.gov with any questions regarding the DRRP program.

To accept or decline this invitation to apply for the DRRP, please sign and return the enclosed form by Friday, May 15, 2026, at 5:00 p.m. If the enclosed form is not returned by the deadline, the invitation to apply will be withdrawn.

Sincerely,

A handwritten signature in black ink that reads "Heather Lagrone". The signature is written in a cursive, flowing style.

Heather Lagrone, Senior Deputy Director
Community Development and Revitalization
