---

We have a total of 894 submission for March of 2024 with a total of 6186 since we began. The system is fully functional and very user friendly. We are able to customize the system to meet the needs of our daily operations. Our staff has bought into the system and working on improvements every day. We are able to find problematic areas using the system and it allows for us to attend to the needs of those areas in a timely manner. We try to contact as many residents as possible and are getting feedback from them to improve the system.

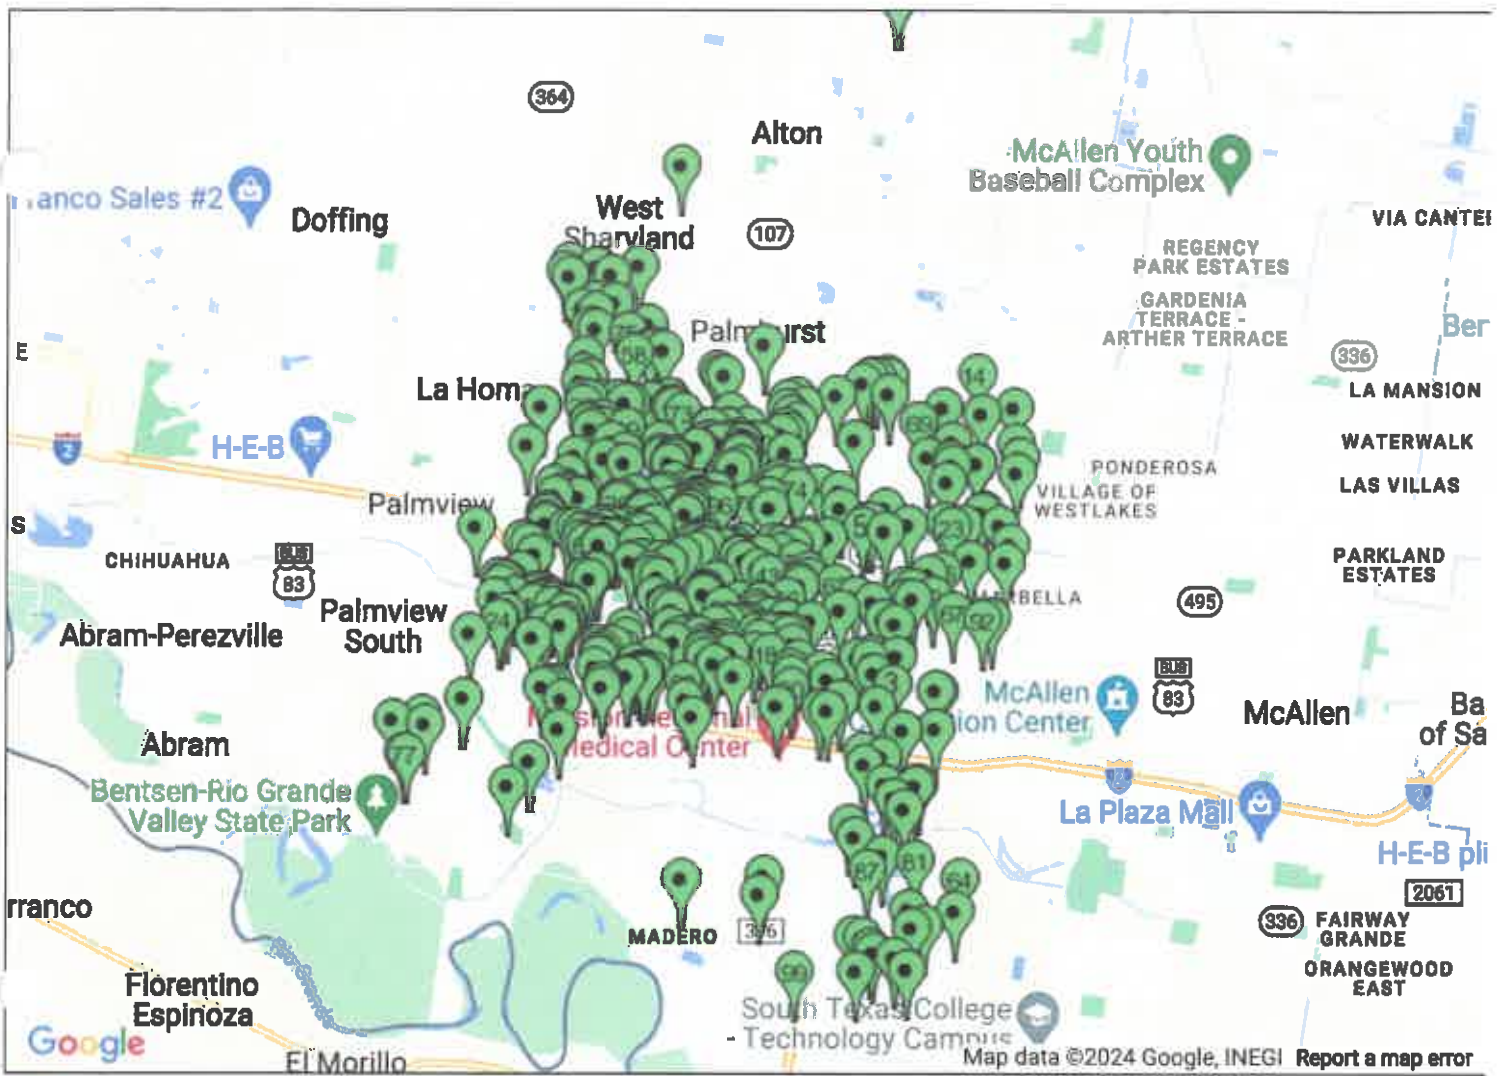

Our media department has been pushing the 311 program encouraging our citizens to utilize the program.

Thank you!
