

ITEM# 1.1

Discussion and Action to Recommend to the City Council the closure required by Union Pacific Railroad for Leonor Street being the 900 block of Leonor Street, approximately 0.25 of a mile west of the Intersection of Inspiration Road and W. Business Hwy 83

On February 29, 2024 staff received a request by Melden & Hunt on behalf of the Killam Development for a proposed railroad crossing and (3) road closures for El Milagro Subdivision. Union Pacific Railroad Company requires that for every new railroad crossing there is at least 2 road closures. The request before the Board is to consider the closure of the 900 Block of Leonor Street. This would be the 1st of 3 road crossing closures.

As part of the request the Union Pacific Railroad also requires that the City of Mission enter into an agreement with the Union Pacific Railroad Company for reimbursement of Preliminary Engineering Services. The Killam Development has agreed to cover the \$25,000 fee estimated for this project since the proposal is for their own development.
