In the event of termination for cause, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Firm pursuant to this Agreement shall, at the option of the City, be turned over to the City and become the property of the City. In the event of termination for cause, the Firm shall be entitled to receive reasonable compensation for any necessary services actually and satisfactorily performed prior to the date of termination.

Notwithstanding the above, the Firm shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Agreement by the Firm, and the City may set-off the damages it incurred as a result of the Firm's breach of the contract from any amounts it might otherwise owe the Firm.

If the matter is not resolved by negotiation within 30 days of receipt of written notice or invitation to negotiate, the parties agree first to try in good faith to settle the matter by mediation administered by the American Arbitration Association under its Commercial Mediation Procedures before resorting to arbitration, litigation, or some other dispute resolution procedure. The parties may enter into a written amendment to this Agreement and choose a mediator that is not affiliated with the American Arbitration Association. The parties shall bear the costs of such mediation equally. *[This section may also provide for the qualifications of the mediator(s), the locale of meetings, time limits, or any other item of concern to the parties.]* If the matter is not resolved through such mediation within 60 days of the initiation of that procedure, either party may proceed to file suit.
