

**MEETING DATE:** December 16, 2024

**PRESENTED BY:** Michael Silva – Interim Fire Chief

**AGENDA ITEM:** Authorization to purchase ambulance equipment from sole source vendor Stryker in the amount of \$227,825.85 with respective budget amendment - Silva

**NATURE OF REQUEST:**

The Mission Fire Department seeks authorization to purchase ambulance equipment, including a (5) five-year ProCare Prevent Service package, from Stryker for a total cost of \$227,825.85. Stryker is a sole-source vendor for this specialized equipment, which will be used to equip the department's new ambulance scheduled for delivery in June 2025. This purchase is essential to ensure the ambulance meets operational and safety standards, enabling the department to continue providing high-quality emergency medical services to the community. Approval of this request will secure the necessary equipment and maintenance support to uphold service reliability and effectiveness.
