

WASHINGTON STATE
MAIN STREET
PROGRAM

Welcome to Millwood's Main Street Program

Preserving our past. Shaping our future.

What is Main Street?

Millwood's Main Street program has just launched—a community-powered effort to revitalize our historic downtown while celebrating the heart and heritage that define Millwood. We're part of a national movement that blends economic vitality, historic preservation, and grassroots collaboration.

Why does this matter?

Millwood's Main Street aims to

-  Strengthen local businesses
-  Preserve historic character
-  Spark community events and pride
-  Encourage thoughtful growth

A few ideas: Enhance our street facade, host clean up days, consider more seasonal festivals, storytelling, heritage walks and more.

Whether you're a business owner, resident, artist, or volunteer—there's a place for you in Millwood's Main Street story. Join us in shaping a vibrant, welcoming downtown that reflects our shared values of hospitality, creativity, and connection.
