CITY OF MINNETRISTA

INFORMATIONAL ITEM

Subject: Financial Update - For 4th Quarter (year-end) 2024

Prepared By: Brian Grimm, Finance Director

Date: March 17, 2025

<u>Item:</u> Attached is a year-to-date revenue report and expenditure by department report for the general fund as well as an overall current cash and investment report. I also for year end attached a revenue by type summary as well as a summary expense report by function for the general fund. The reports attached reflect activity through 4th quarter 2024 (2024 YTD activity).

As you will see included in the attached revenue and expenditure reports, the actual numbers ended up slightly better than expected for revenues and were very slightly over in comparison to the 2024 budgeted expenditures.

General fund revenues ended up with our overall collections at about 101% of our budgeted amounts. This can be contributed to 2 main areas where either revenue came in better or unexpected revenues were received.

- 1) **Intergovernmental Revenue** Came in about \$40,000 better than expected. Mainly due to police related state aid/revenues
- 2) Other (includes investment revenue/market value adjustment) The positive variance here was mainly attributed to the investment income/market value adjustment revenue line item. The market was much better in 2024 regarding this.

Actual expenditures ended up coming in at right about where the budget was (\$3,375 more) in comparison to the 2024 budgeted general fund expenditures. Most departments came in at or slightly more/less than budgeted expenditures. The biggest positive variance was in the snow/ice department which is weather dependent as to how much the City spends there. There were less snow/ice events in 2024 than in previous years.

As you will see from the attached reports the actual total general fund revenues was \$6,677,823. The actual expenditures for the general fund was \$6,797,687. Which resulted in the fund balance in the general fund during 2024 going down by \$119,864. Per the Final 2024 Budget, the City had projected to spend down fund balance of \$193,352 in the general fund.

Mission Statement:

The current fund balance in the general fund is \$2,986,859. When compared to the 2025 budgeted general fund expenditures of \$6,990,586, this calculates to a general fund balance calculation of 43% when comparing the two numbers.

The current cash and investment total for all funds as of December 2024 is \$18,346,412.65. As you will see on the last page of the packet item, there are a few notes regarding the cash and investment report.

This information item is a normal update to Council for tracking the 2024 budget to actual numbers. The City's auditors are coming in March so just a reminder that these are preliminary or unaudited numbers.
