

**CITY OF MINNETRISTA
INFORMATIONAL ITEM**

Subject: Financial Update - For 3rd Quarter 2026

Prepared By: Brian Grimm, Finance Director

Date: October 19, 2026

Item: Attached is a year-to-date revenue report and expenditure by department report for the general fund as well as an overall current cash and investment report. The reports attached reflect activity through 3rd quarter 2026 (first nine months of the year)

As you will see in the attached revenue and expenditure reports, the actual numbers are tracking about where they should be for this point in the year in comparison to the budgeted totals.

Revenues are tracking about as they should as our overall collections are at 59% of our budgeted amounts. This is about the same for when we compare to this same point in 2025 as we were at 58% then.

On the expenditure report most items are tracking as expected as well. Overall general fund expenditures are at about 73% year to date in comparison to the total 2026 general fund budgeted expenditures. For 2025 we were at 77% for that same point in the year. So, we are tracking better than we were at this point last year.

The current cash and investment total for all funds as of September 2026 is \$20,102,431.40.

This information item is a normal update to Council for tracking the 2026 budget to actual numbers.

Mission Statement:

The City of Minnetrista will deliver quality services in a cost effective and innovative manner and provide opportunities for a high quality of life while protecting natural resources and maintaining a rural character.

	TOTAL	20,102,431.40

Notes to Cash and Investments Report (3rd quarter 2026)

- 1) * **General Fund (101)**- Actual Fund Balance is \$1,908,992. Most of the difference in comparison to the cash and investments total has to do with the temporary CO deposits the City is holding.
- 2) ****Street Improvement Capital Project Fund (490)** – Actual Fund Balance is \$80,796. Most of the cash and investments number is escrows and deposits we have for sealcoating and other related street items
- 3) *****Water Fund (601)** The actual fund balance that is not made of up 2026 A Bond proceeds that are unspent yet is closer to \$900,000. As \$12.2 million of bond proceeds were issued for water related activities in May 2026.
- 4) *****Cable Fund (673)** -This fund has a negative cash balance of **\$67,797**. Some of this is attributed to timing of when franchise fees are received. Even after that is factored in, the fund is still running a deficit cash and fund balance, and the fund will need to be closed at the end of 2026. As well as the 2027 budget rolled into the general fund with franchise fees declining over the last several years.
