MDH must inform Grantee of clerical errors that have been fixed pursuant to this paragraph within a reasonable period of time.

19. Lobbying

- 19.1. Grantee must ensure that grant funds are not used for lobbying, which includes paying or compensating any person for influencing or attempting to influence legislators or other public officials on behalf or against proposed legislation, in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

20. Voter Registration Requirement

Grantee will comply with [Minn. Stat. § 201.162](#), by providing voter registration services for its employees and for the public served by Grantee.

21. Debarment, Suspension and Responsibility Certification

Federal regulation [2 CFR § 200.214](#) prohibits MDH from purchasing goods or services with federal money from any party that has been suspended or debarred by the federal government. Similarly, [Minn. Stat. §§ 16C.03](#), subd. 2, and [16B.97](#), subd. 3, provides the Commissioner of Administration with the authority to debar and suspend any party that seeks to contract with MDH.

Anyone may be suspended or debarred when it is determined, through a duly authorized hearing process, that they have abused the public trust in a serious manner. In particular, the federal

government expects MDH to have a process in place for determining whether a vendor has been suspended or debarred, and to prevent such vendors from receiving federal funds.

By signing this Grant Agreement, Grantee certifies that it and its principals:

- a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from transacting business by or with any federal, state or local governmental department or agency;

22. Incentives

When included in the approved Work Plan or Budget, the following language applies.

Grantee is required to have policies and procedures in place addressing the purchasing, security, distribution, and asset tracking of incentives. All grantee staff involved in the purchase, distribution, security, and reconciling of incentives must be trained on the grantee's policies and procedures prior to the grantee placing any order for incentives. Those policies and procedures must, at a minimum, include the provisions outlined in this section.

22.2. *Separation of duties*

More than one Grantee staff person must be involved in the management and handling of the incentives. The Grantee staff who authorizes the purchase of incentives must not have sole physical access to the incentives. The Grantee staff who will have physical access to the incentives cannot have sole access to modify the incentives records. Handoff of incentive from one person to another must be documented.

22.3. *Distribution of Incentives*

Incentives may only be used for approved purposes by MDH.

- a) Only one incentive can be given to an individual per occurrence/event.

- c) Grantee will purchase and have on hand no more than three months' worth of incentives at any given time. The three months' worth must be based off the most currently approved workplan. All incentives must be distributed prior to grantee purchasing additional incentives.
- d) Grantee will be responsible for the costs of any incentives that remain undistributed at the end of the Grant Agreement.
- e) If MDH provided the grantee with the incentives, the return of undistributed incentives to MDH must occur in person with the MDH's Authorized Representative within 30 calendar days of the grant expiration date. If in-person return is not possible, the grantee must return undistributed incentives via courier or via US Mail that requires signatures and a tracking number within 30 calendar days of the grant expiration date.
- f) The tracking log must be returned separately from the physical cards. Electronic return is the preferred method for the tracking log.

22.4. *Incentive tracking documentation*

The tracking documentation the Grantee is required to maintain must not contain any private data. The tracking system must record the following:

- a) Number of incentives on hand, including starting balance and any additional incentives purchased;
- b) description of the incentives;
- c) quantity of incentive(s) distributed to each participant;
- d) the last four digits of any pre-paid card number;
- e) value/amount;
- f) a unique non-identifiable data point for each participant (e.g. case number, file number);
- g) date participant received incentive(s); and
- h) signature of Grantee staff member providing incentive(s) to participant(s).

22.5. *Reconciliation*

At least two different Grantee staff must reconcile the incentives at least quarterly. The Grantee staff conducting the reconciliation must not also be the handlers of the incentives. 22.6. *Subcontracting/Subgranting*

The Grantee must communicate and verify that their subcontracts/subgrants will only use incentives for MDH approved purposes. The Grantee will be responsible for monitoring, oversight, and reconciliation of any incentives that its subcontractors or subgrantees

purchase and distribute and will include this same language in any of its subgrants or subcontracts that it enters as part of its work for MDH.

22.7. *Lost or stolen incentives*

The Grantee bears all financial responsibility for any unaccounted for, lost, or stolen incentives.

22.8. *Invoicing*

If the Grantee purchased the incentives themselves, the Grantee must only invoice MDH for the incentives after they've been distributed.

22.9. *Failure to Comply*

For grantees who do not have effective written policies and procedures in place before purchasing incentives, MDH reserves the right to withhold payment and or request reimbursement in the amount equal to the unallowable costs. Withheld payments will be released when the grantee provides documentation to MDH that it has written effective policies and procedures in place. Grantees who do not comply with this requirement may be subject to increased monitoring and will be offered technical assistance. MDH also reserves the right to terminate a Grant Agreement for failure to comply with these requirements.

23. Conflict of Interest

Grantee will notify MDH's Authorized Representative when they become aware of any potential, perceived, or actual conflict of interests as it relates to this Grant Agreement.

24. Mandatory Disclosures

An applicant, recipient, or subrecipient of funding under this Grant Agreement must promptly disclose whenever, in connection with this Grant Agreement (including any activities or subawards thereunder), it has credible evidence of the commission of a violation of criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or [Minn. 26. Suspension for Insufficient Funding

In the event of temporary lack of funding or appropriation, MDH may suspend its obligations under this Grant Agreement without terminating it. This suspension will be for the duration of the lack of funding or appropriation and shall not be considered a termination of the Grant Agreement. MDH will not be assessed any penalty if the Grant Agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds.

- 26.1. Grantee will be notified in writing of the temporary suspension, and Grantee's ability to perform under the Grant Agreement will be suspended during this period. MDH will provide reasonable notice to Grantee of the lack of funding or appropriation and shall notify Grantee once funding is restored or appropriated, and at MDH's discretion, performance under the Grant Agreement may resume.
- 26.2. MDH may convert the suspension for insufficient funding to termination under clause 27.3. upon written notice to Grantee.
- 26.3. Grantee may reject MDH's suspension for insufficient funding by written response to the notice of suspension. If Grantee rejects suspension, the notice of suspension shall be effective as a notice of termination under clause 27.3 with the same effective date as was provided for the suspension.

27. Termination

27.1. *Termination by MDH or Grantee*

MDH or Grantee may terminate this Grant Agreement without cause, with at least 21 calendar days' written notice (i.e., by mail, email, or both) to the other party. Upon termination, Grantee will be entitled to payment, determined on a pro rata basis, for activities satisfactorily performed.

27.2. *Termination for Cause*

MDH may immediately terminate this Grant Agreement if MDH finds there has been a failure to comply with the provisions of this Grant Agreement, that timely progress has not been made, or that the purposes for which the funds were granted have not been or will not be fulfilled. MDH may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

27.3. *Termination for Insufficient Funding*

MDH may immediately terminate this Grant Agreement if it does not obtain funding from the Minnesota Legislature or other funding sources; or if funding cannot be continued at a level sufficient to allow for the payment of the work scope covered in this Grant Agreement. Termination must be by written notice to Grantee; i.e., mail, email, or both. MDH is not obligated to pay for any work performed after notice and effective date of the termination.

However, Grantee will be entitled to payment, determined on a pro rata basis, for activities satisfactorily performed to the extent that funds are available.

MDH will not be assessed any penalty if this Grant Agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. MDH must provide Grantee notice of the lack of funding within a reasonable time of MDH receiving notice of the same.

27.4. *Termination by Commissioner of Administration*

The Commissioner of Administration may immediately and unilaterally terminate this Grant Agreement if further performance under the Grant Agreement would not serve MDH's purposes or performance under the Grant Agreement is not in the best interests of the State of Minnesota.
