INFORMATIONAL ITEM

Subject: Financial Update - For 4th Quarter (year-end) 2025

Prepared By: Brian Grimm, Finance Director

Date: March 16, 2026

Item: Attached is a year-to-date revenue report and expenditure by department report for the general fund as well as an overall current cash and investment report. I also for year end attached a revenue by type summary as well as a summary expense report by function for the general fund. The reports attached reflect activity through 4th quarter 2025 (2025 YTD activity).

As you will see included in the attached revenue and expenditure reports, the actual numbers ended up slightly lower than expected for revenues and were very slightly over in comparison to the 2025 budgeted expenditures.

General fund revenues ended up with our overall collections at just under 100% of our budgeted amounts. This can be attributed to 3 main areas where revenue came in slightly lower than budgeted (building permits and licenses, charges for services and property taxes). This was offset by investment revenue/other revenue by higher than originally anticipated.

Actual expenditures ended up coming in at right about where the budget was (\$1,441 more) in comparison to the 2025 budgeted general fund expenditures. Most departments came in at or slightly more/less than budgeted expenditures. The biggest positive variance was in the snow/ice department which is weather dependent as to how much the City spends there. There were less snow/ice events in 2025 than in previous years.

As you will see from the attached reports the actual total general fund revenues was \$6,926,831. The actual expenditures for the general fund was \$6,992,027. Which resulted in the fund balance in the general fund during 2025 going down by \$65,196. Per the Final 2025 Budget, the City had projected to spend down fund balance of \$38,989 in the general fund.

The current fund balance in the general fund is \$2,944,297. When compared to the 2026 budgeted general fund expenditures of \$7,636,152, this calculates to a general fund balance calculation of 39% when comparing the two numbers.

Mission Statement:

The City of Minnetrista will deliver quality services in a cost effective and innovative manner and provide opportunities for a high quality of life while protecting natural resources and maintaining a rural character.

The current cash and investment total for all funds as of December 2025 is \$13,719,233.98. As you will see on the last page of the packet item, there are a few notes regarding the cash and investment report.

This information item is a normal update to Council for tracking the 2025 budget to actual numbers. The City's auditors are coming in March so just a reminder that these are preliminary or unaudited numbers.

Mission Statement:

The City of Minnetrista will deliver quality services in a cost effective and innovative manner and provide opportunities for a high quality of life while protecting natural resources and maintaining a rural character.

Notes to Cash and Investments Report (4th quarter 2025)

- 1) * **General Fund (101)**- Actual Fund Balance is \$2,944,297. Most of the difference in comparison to the cash and investments total has to do with the temporary CO deposits the City is holding as well as year-end accounts payable and accrual items.
- 2) ****Street Improvement Capital Project Fund (490)** – Actual Fund Balance is \$71,877. Most of the cash and investments number is escrows and deposits we have for sealcoating and other related street items.
- 3) *****Cable (673)** The cash balance in the fund is a negative \$29,245. This fund will have to be looked at during 2026 as the franchise fees the City receives continues to reduce. So the expenditures allocated to the fund are exceeding the revenues coming into the fund.
