Rebecca and Anthony Noreiga of TX and Beyond - Montgomery's Lone Star Art Gallery would like to present a synopsis of the current mural we are hoping to expand on. For educational cause and in an effort to continue acknowledgement of the rich history of Montgomery TX, we would like to add two segments to the mural.

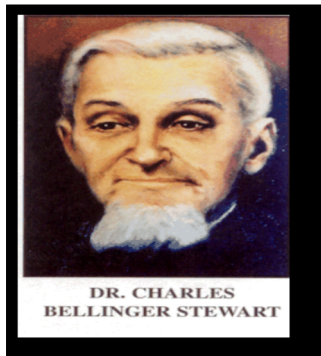

Photo # 1 is an illustration of current mural; noting the 8 feet space (open area) on the right and the left side of the mural itself

Photo # 1

Left side, photo # 2 we are arranging to have an approximate 2' x 2' painting of Dr. Charles B. Stewart alongside one of his homes, Photo # 3. These photos were sent to us by Larry L. Foerster, Chairman of Montgomery County Historical Society. Local Artist: Michael Michaelson. N.H. Davis Museum volunteered to cover the cost.

Photo # 3

Right side, Photo # 4, is a depiction of Samuel McCulloch; the first Texian casualty of the Texas revolution. This is similar to the sculpture seen locally at Simmons bank sculpted by local Artist Craig Campobella. This art design would be about 3' x 3' in size. Note that both murals would be small enough so as not to overwhelm the central mural. Local Artist Joe Kolh. Tx and Beyond will be covering the cost.

We are thankful and hopeful for your support, in preparation for flag's day event March 8, as we aim to be an integral part of our community here in Montgomery Tx.

Respectfully,

Anthony & Rebecca Noreiga
