Discussion

The MEDC approved a wayfinding project with Merje Design in October 2022. Staff is providing an update on the project and work done by the consultant. Since beginning the project, the following key milestones are met:

- January 23, 2023: Project Kickoff Meeting
- February 28 & March 1, 2023: On site visit by Merje Design and stakeholder meetings
- May 10, 2023: Steering Committee Meeting—Analysis & Schematic Design review
- July 2023 – MEDC >>> CC review of design concepts and selection of final design
