

Montgomery City Council
AGENDA REPORT

Meeting Date: September 14, 2021	Budgeted Amount: N/A
Department: Admin	Prepared By: Dave McCorquodale

Subject

Consideration and possible action regarding approval of Change Order No. 1 for the Downtown Waterline Replacement project.

Recommendation

Consider the Change Order No. 1 request along with the engineer's recommendation and act as you see fit.

Discussion

The City Engineer's memo is attached and will be at the meeting to discuss and answer questions. To help clarify why we see two engineering firm names on this item, Jones|Carter is still the project engineer for this project. WGA is advising the City Council as Consulting Engineer and keeping up to date with the project on behalf of the City, but Jones|Carter is responsible for project activities.

WGA concurs with Jones|Carter's recommendation on approving Change Order No. 1. City staff agrees and offers no objections to the request.

Approved By

Asst. City Administrator	Dave McCorquodale	Date: 09/09/2021
City Administrator	Richard Tramm	Date: 09/09/2021
