PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On September 30, 2014, the City of Montgomery City Council passed Resolution No. 2014-2 approving and authorizing the creation of City of Montgomery Public Improvement District No. 1 ("PID No. 1") to finance the costs of certain public improvements for the benefit of property in PID No. 1, all of which is located within the corporate limits of the City of Montgomery. This Service and Assessment Plan addresses the improvements to be provided for PID No. 1.

Chapter 372 of the Texas Local Government Code, "the Public Improvement Assessment Act" (as amended, the "PID Act"), governs the creation and operation of public improvement districts within the State of Texas. This Service and Assessment Plan has been prepared pursuant to Sections 372.013, 372.014, 372.015 and 372.016 of the PID Act. According to Section 372.013 of the PID Act, a service plan "must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements." The service plan is described in Section IV of this Service and Assessment Plan.

Section 372.014 of the PID Act states that "an assessment plan must be included in the annual service plan." The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act states that "the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district." The method of assessing the PID Costs and apportionment of such costs to the property in the PID No. 1 are included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act states that "after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter." The Assessment Roll for PID No. 1 is included as Appendix C of this Service and Assessment Plan. The Assessments as shown on the Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

The City and Developer have entered into that certain Facilities and Creation Cost Reimbursement Agreement, dated March 24, 2015 (the "PID Reimbursement Agreement"). The PID Reimbursement Agreement contains a more detailed description of many of the concepts addressed in this Service and Assessment Plan, therefore, the two documents should be read as a whole in order to have a more complete understanding of the terms addressed in each of the agreements.

Section IV
SERVICE PLAN

A. Sources and Uses of Funds

The PID Act requires a service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within PID No. 1. As of the date of this Service and Assessment Plan approximately 15% of the Authorized Improvements have been constructed and funded by the Developer. PID No. 1 will not directly fund any of the Authorized Improvements. Instead, in accordance with the PID Reimbursement Agreement the Developer will construct the Authorized Improvements and the City will reimburse the Developer solely from the net proceeds of the Assessments. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. The annual update to this Service and Assessment Plan is herein referred to as the "Annual Service Plan Update."

Table IV-A shows the sources.

Table IV-A

This sources and uses of funds table is subject to revision and the actual sources and uses of funds for any line item may be different than shown above. The sources and uses of funds shown in Table 1V-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions or actual costs of the Authorized Improvements.

B. Annual Costs and Indebtedness

The annual projected costs and annual projected indebtedness is shown by Table 1V-B. The annual projected costs and indebtedness is subject to revision and shall be updated each year in the Annual Service Plan Update to reflect any changes in the PID Costs expected for each year and the cumulative amounts owed to the Developer. Notwithstanding the preceding, the Developer shall be reimbursed solely from the net proceeds (after payment of all costs of the City) of the Assessments which will be significantly less than total projected costs of the Authorized Improvements.

Section V
ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the PID Costs on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the PID Costs may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements. Section V of this Service and Assessment Plan describes the special benefit received by each Parcel of Assessed Property as a result of the Authorized Improvements, provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments, and establishes the methodology by which the City Council allocates the special benefit of the Authorized Improvements to Parcels in a manner that results in equal shares of the PID Costs being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodology set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners within the Assessed Property.

B. Special Benefit

Benefited Property receives a benefit from the Authorized Improvements. Among the Benefited Property, the Assessed Property will receive a direct and special benefit from the Authorized Improvements, and this benefit will be equal to or greater than the amount of the Assessments. The Authorized Improvements (more particularly described in line-item format on Appendix B to this Service and Assessment Plan) and the costs incurred in the establishment, administration, and operation of the PID No. 1 shown in Table IV-A are authorized by the Act. These improvements are provided specifically for the benefit of the Assessed Property.

The owners of all of the Assessed Property has acknowledged and agreed to the determinations and findings as to benefits by the City Council in the Service and Assessment Plan and the Assessment Ordinance, specifically including the special benefit conferred on the Assessed Property by the Authorized Improvements, as well as any other terms and provisions within these documents, and has, therefore, consented to the imposition of the Assessments to pay the PID Costs. The owners are acting in their own interests in consenting to this imposition, because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The public improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the

Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements, which are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as "the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value." (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

Funding of the PID Costs by the Developer and reimbursement of the Developer by PID No. 1 is determined to be the most beneficial means of providing for the Authorized Improvements. Since the Authorized Improvements are required for the highest and best use of the Assessed Property, and PID No. 1 provides the most beneficial means of providing the Authorized Improvements, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessments. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Assessments result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the PID Costs by PID No. 1 is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

C. Assessment Methodology

1. The PID Costs may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The PID Costs may be assessed using any methodology that results in the imposition of equal shares of the PID Costs on Assessed Property similarly benefited.
2. For purposes of this Service and Assessment Plan, the City Council has determined that the PID Costs shall be allocated to the Assessed Property equally on the basis of \$41,666.66 per acre of platted acreage that encompasses a completed permanent structure for which the City has issued a Certificate of Occupancy and that such method of allocation will result in the imposition of equal shares of the PID Costs to Parcels similarly benefited.
3. Having taken into consideration the matters described above, the City Council has determined that allocating the PID Costs among Parcels based on improved acreage containing a completed permanent structure for which the City has issued a certificate of occupancy. Accordingly, Assessments are allocated to each Parcel of Assessed Property on the basis of it being fully developed, a final plot has been recorded, commercial structure(s) have been completed and a certificate of occupancy has been issued.
4. The following table (Table V-A) shows the calculation of the Assessment per acre. There are a total of 72 acres expected to be developed and improved on the Assessed Property. The total Assessments, which represent the aggregate sum of the total Annual Installments, are equal to \$3,000,000 as shown in Table IV-C. As a result the Assessment per acre is \$41,666.66 as shown in Table V-A below.

* The Assessment shall run from the Trigger Date and shall be amortized over fifteen annual payments including principal and interest at 6% per annum. In addition, each year the City shall charge an Administrative Expense of \$50.00 per Parcel of Assessed Property to reimburse the City for its Administrative Expenses. In the event such fee for Administrative Expense is not sufficient to reimburse the City for its Administrative Expenses, the City shall deduct such expenses from the monies otherwise to be paid to Developer. The first year of the Assessment shall be levied in 2018, and shall be included in the 2018 tax bills.

** To be determined based on number of Parcels included as Assessed Property.

Section VI
TERMS OF THE ASSESSMENTS

A. Amount of Assessments

The Assessment for each Parcel is shown on the Assessment Roll, and no Assessment shall be changed except as authorized by this Service and Assessment Plan (including the Annual Service Plan Updates) and the PID Act. The Assessments shall not exceed the amount required to repay the Developer including interest and Collection Costs.

B. Reallocation of Assessments

1. Subdivision

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \pm D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel

B = the Assessment for the Parcel prior to subdivision

C = the estimated number of units to be built on each newly subdivided Parcel

D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

C. Mandatory Prepayment of Assessments

1. If at any time the Assessment on a Parcel exceeds the Maximum Assessment per

Commercial Unit calculated for the Parcel as a result of any reallocation of an Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by the Administrator by which the Assessment for the Parcel exceeds the Maximum Assessment per Commercial Unit for the Parcel. The City shall not approve the recordation of a plat or other document subdividing a Parcel without a letter from the Administrator either (a) confirming that the Assessment for any new Parcel created by the subdivision will not exceed the Maximum Assessment per Unit for each Parcel, or (b) confirming the payment of the Assessments, plus all Prepayment Costs, as provided for herein.

2. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the Assessment on such Parcel, prior to any such transfer or act.
3. The payments required above shall be treated the same as any Assessment that is due and owing under the Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the Act.

D. Reduction of Assessments

1. If after all Authorized Improvements have been completed, the total Authorized Improvement Costs is less than the total Assessments, then the Assessments and Annual Installments for each Parcel shall be reduced by an equal percentage such that the sum of the resulting reduced Assessments and Annual Installments for all Parcels equals the amount required to repay the Authorized Improvement Costs and interest owed thereon, and Collection Costs. The Assessment for each Parcel shall be reduced by an equal percentage such that the sum of the resulting reduced monies owed Developer is equal to the outstanding principal amount of the Assessments.
2. If all the Authorized Improvements are not undertaken, resulting in the total amount owed Developer being less than the total amount of Assessments, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay Developer, including interest and Collection Costs. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel, or (ii) by an equal percentage, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Developer, including interest and Collection Costs. The Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced Assessments is equal to the outstanding principal amount owed Developer.

E. Payment of Assessments

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.
- (c) Upon payment in full of the Assessment, the City shall deposit the payment in accordance with the applicable governing document; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.
- (d) At the option of the owner, the Assessment on any Parcel may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the Act authorizes the City to collect interest and Collection Costs in Annual Installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, as updated as provided for herein, which include interest and Annual Collection Costs. Payment of the Annual Installments shall commence with tax bills mailed.

Each Assessment shall be paid with interest of no more than six percent per annum. The Assessment Roll sets forth for each year the Annual Installment for each Parcel based on an estimated interest rate of 6% and additional interest at the rate of 0.5% for administrative expenses. Furthermore, the Annual Installments may not exceed the amounts shown on the Assessment Roll.

F. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Annual Collection Costs shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied, such as interest earnings on any account balances, and any other funds available to the City for such purpose. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-

delinquent Annual Installments against such property as they become due and payable.

Section VII
THE ASSESSMENT ROLL

Appendix C identifies each Parcel within PID No. 1, the Benefited Property, the Assessed Property and Non-Benefitted Property. The Assessment Roll includes each Parcel of Assessed Property, the Assessment imposed on each Parcel, the Assessments, and the Annual Installments to be paid each year for each Parcel if the Assessment is not paid in full for any Parcel. The Assessment on each Parcel is based on the number of units expected to be built on each Parcel, and the Assessment per unit results, as explained herein.

Each Parcel of Assessed Property has been evaluated by the City Council (based on the developable area, proposed Owner Association Property and Public Property, best and highest use of the property, and other development factors deemed relevant by the City Council) to determine, the number of dwelling units anticipated to be developed on a Parcel. Each dwelling unit is then multiplied by the Assessment per unit set forth in Table V-B of this Service and Assessment Plan, and the total of such amounts for all dwelling units for the Parcel shall constitute the "Assessment" for the Parcel as set forth on the Assessment Roll. The Assessment Roll shall be updated upon the preparation of each Annual Service Plan Update to reflect, for each Parcel, subdivisions, consolidations, prepayments, and reductions authorized by this Service and Assessment Plan.

The Administrator shall prepare, and the City Council shall review and approve, annual updates to the Assessment Roll as the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the Act: (i) the identification of each Parcel as Benefited Property, Assessed Property, and NonBenefitted Property; (ii) the Assessment for each Parcel, including any adjustments authorized by this Service and Assessment Plan or in the Act; (iii) the Assessment for each Parcel, including any adjustments authorized by this Service and Assessment Plan or in the Act; (iv) the Annual Installment for the Parcel •for the year (if the Assessment is payable in installments); and (v) payments of the Assessment, if any, as provided by Section VI.0 of this Service and Assessment Plan.

Section VIII
MISCELLANEOUS PROVISIONS

A. Administrative Review

An owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID No. 1 for the current year), but an adjustment may be made in the amount of the

Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council, shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of Cancellation of PID No. 1 Assessment."

C. Amendments

The City Council reserves the right to the extent permitted by the Act to amend this Service and Assessment Plan without notice under the Act and without notice to property owners of Parcels: (i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Collection Costs, and other charges imposed by the Service and Assessment Plan.

D. Administration and Interpretation of Provisions

The City Council shall administer PID No. 1, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein, such determination shall be conclusive.

E. Severability

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.
