Re: Submission of Preliminary Plats  
Lonestar Parkway Residential Sec. 2 (Dev. No. 2404)  
City of Montgomery

Dear Commission:

We reviewed the preliminary plat submission for the referenced development on behalf of the City of Montgomery (the "City"). Our review was based on the City's Code of Ordinances, Chapter 78 Section 60 and any other applicable chapters. Our review was also based upon the approved variances to development regulations as approved by the City.

The developer intends to plat the property with 120' minimum lot depths, 55' minimum lot widths, and a reduced minimum lot area in accordance with the variances approved on March 12, 2024. We offer no objection to the preliminary plat as submitted, and we recommend the Commission approve the preliminary plat.

If you have any questions or comments, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Chris Roznovsky".
