AGENDA REPORT

Meeting Date: October 23, 2023	Budgeted Amount: \$0 / \$19,000 available
Department: N/A	Prepared By: DMc

Subject

Consideration and possible action on a grant request for the 2023 Wreaths Across America event as submitted by Rebecca Huss.

Recommendation

Staff has no objections to the grant request and recommends awarding the grant.

Discussion

The MEDC sponsored this project last year. The grant request funds wreaths for veteran's graves at Montgomery Memorial Cemetery. This year's request is for \$765, which will purchase 67 total wreaths. Funding for the grant would come from the unallocated events line item with a \$19,000 balance. Staff recommends approval of the request. The request and information about the program are attached for review.
