Re: FM 1097 and Buffalo Springs Drive Traffic Signal Warrant Analysis
City of Montgomery

Dear Mayor and Council:

As you are aware, Jones & Carter, Inc. performed a Traffic Signal Warrant Analysis (“the analysis”) at the intersection of FM 1097 and Buffalo Springs Drive. We have reviewed the results of the analysis and offer no objections. We recommend the City accept the analysis as presented by Jones & Carter, Inc. and begin conversations with TxDOT regarding installation of a traffic signal at the intersection of FM 1097 and Buffalo Springs Drive.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Chris Roznovsky". The signature is written in a cursive, flowing style.
