

Montgomery City Council  
**AGENDA REPORT**

<b>Meeting Date:</b> August 10, 2021	<b>Budgeted Amount:</b> N/A
<b>Department:</b> Administration	<b>Prepared By:</b> Richard Tramm

**Subject**

Consideration and possible action on the purchase of vehicles for the City of Montgomery Police Department.

**Recommendation**

Recommend approval of purchase of vehicles for the City of Montgomery Police Department.

**Discussion**

Due to the City adopting a conservative budget for the current fiscal year last summer while we were still dealing with economic uncertainty earlier in the pandemic, some larger price items were not budgeted but were planned to be brought back for individual consideration. Three police vehicles would have been planned to be purchased in either the 2020-2021 or the 2021-2022 fiscal years. Due to the City receiving revenue above budgeted levels, I would like to ask City Council to approve the purchase of these three vehicles to replace aging police vehicles, plus a fourth vehicle that is needed as a dedicated City Investigator vehicle. The prices listed include being outfitted as needed with emergency equipment.

2 Chevrolet Tahoe @ \$59,559.00 each

1 Ford Defender @ \$55,179.00

1 Ford Defender @ \$40,883.00

Total for 4 Vehicles \$215,180.00
