RE: Re-Zoning Request for Lone Star Cowboy Church

The subject tract of land (MCAD ID No. 287352) is currently made up of commercial, institutional, and residential zones according to the City of Montgomery's current zoning map. The current proposed additions would add buildings and pavement for the church in the current residential zoning. This request is to re-zone all portions of the residential zoning within the overall tract to that of institutional to match the existing land use of the property. Through this re-zone, we also request that the commercial zoning along the frontage remain as its current zoning since it will remain undeveloped and outside of the limits of the new proposed development.

We feel this rezoning request will help bring the current property into compliance with its existing usage and will also allow some flexibility for future improvements. Please feel free to contact me at 936-647-0420 if you have any questions or concerns.
