

Montgomery City Council
AGENDA REPORT

Meeting Date: February 8, 2022	Budgeted Amount: N/A
Department: Administration	Prepared By: Richard Tramm

Subject

Consideration and possible action regarding adoption of the following Ordinance:

AN ORDINANCE BY THE CITY COUNCIL OF THE CITY OF MONTGOMERY, TEXAS, (“City”) declining to approve the change in rates requested in Entergy Texas, Inc.’s (“ETI” or “Company”) Statement of Intent filed with the City on January 31, 2022, AND FINDING AND DETERMINING THAT THE MEETING AT WHICH THIS ORDINANCE WAS CONSIDERED WAS OPEN TO THE PUBLIC AND IN ACCORDANCE WITH TEXAS LAW.

Recommendation

Approve the ordinance to decline the requested change in rates requested in Entergy Texas, Inc.’s Statement of Intent filed with the City on January 31, 2022.

Discussion

Please see the attached documents regarding Entergy Texas, Inc.’s (ETI) request to have their REC (renewable energy credit) tariff approved. The purpose of the proposed rate will give their customers an opportunity to essentially buy green power through this proposed rate filing and support renewable energy and sustainability through REC purchases without having to make a long-term commitment.

I believe it is to the mutual benefit of the City’s residents and Entergy Texas, Inc. for the City to act to reject this request. If a sufficient number of cities act to decline this request, the item will go to a combined hearing at the PUC.
