From: Gary Palmer, City Administrator
Subject: Workshop: Proposed Text Amendments to Chapter 64 Peddlers, Solicitors Vendors and Section 98-88 Table of Permitted Uses and Special Uses to provide requirements for Mobile Food Units (Food Trucks) and Mobile Food Courts (Food Truck Parks)

Attached please find the “redlined/strikethrough versions” of the currently adopted *Peddlers, Solicitors and Vendors Ordinance* and *Table of Permitted Uses and Special Uses*. All text in red are additions to the current ordinance and all red strikethroughs are deletions to the current ordinance.

The amendment to the *Table of Permitted Uses and Special Uses* requires Planning and Zoning Commission review, public hearing, and recommendation to the City Council (This is on their April 04, 2023 Planning and Zoning Commission Agenda).

At our workshop I intend to review all of the additions/deletions in detail, gather feedback, and will bring back a final version for consideration after receiving the Planning and Zoning Commission report.
