

Montgomery Planning and Zoning Commission
AGENDA REPORT

Meeting Date: November 1, 2022	Budgeted Amount:
Department: Administration	Prepared By: Dave McCorquodale

Subject

Consideration and possible action on proposed canopy signage for the Simmons Bank ATM located at 14340 Liberty Street in the Historic Preservation District.

Recommendation

Consider the revised ATM canopy signage and act as you see fit.

Discussion

As you will recall, this item was denied at the October 4, 2022 meeting as submitted. The applicant has reduced the overall height of the proposed signage to 12 inches. Discussion was had about incorporating elements of Montgomery's historic nature, though it does not appear the proposed signage incorporates any historical elements of the City.
