AGENDA REPORT

Meeting Date: April 12, 2022	Budgeted Amount: N/A
Department: Admin	Prepared By: Dave McCorquodale

Subject

Consideration and possible action on a proposed weekly Montgomery Farmer’s Market located on City property at 777 Clepper Street.

Recommendation

Consider the information and provide direction to staff as appropriate.

Discussion

Joshua Reed, the operator of the Montgomery Farmer’s Market that is currently held every Saturday at Ransom’s Steakhouse, approached the City about using the property at 777 Clepper Street as a new home for the event. Attached is an overview of the proposal along with a site map of the proposed event. Before moving forward, staff would like the direction of City Council. If City Council is agreeable to the request, staff will work with the city attorney to ensure any agreements are prepared and City staff to ensure appropriate measures are in place to ensure a workable solution for the City and for the operator of the event.

This item is to get direction from City Council on the proposal, and any necessary agreements will be drafted and brought back to City Council for review and approval.
