

Montgomery City Council
AGENDA REPORT

Meeting Date: April 12, 2022	Budgeted Amount: N/A
Department: Admin	Prepared By: Dave McCorquodale

Subject

Consideration and possible action on applicants for Place 3 on the Planning & Zoning Commission.

Recommendation

Review the applications and discuss the appointment of one of them to Place 3 on the Planning & Zoning Commission to fill the unexpired term.

Discussion

As you are aware, Allyson Clark resigned her position on the Commission in early March (which expires on September 30, 2023). City staff advertised the open position in the City utility bill, on the City website and the City LED message sign. Three applications have been received and are included for review. It is worth noting that one of the applicants has a degree in urban planning and has previously applied for appointment to P&Z (in June 2021).

If City Council does not select one of the applicants, staff can continue to advertise the open position at the direction of City Council.
