

Montgomery Community Band

Organizational Mission and Structure

Montgomery Community Band serves a mission to bring people together through music, foster a love for the arts, and enrich our community by providing high-quality musical performances. We strive to be inclusive and accessible to all, encouraging musical growth and collaboration among our members.

Like similar organizations, Montgomery Community Band brings together local volunteers from the community who wish to share their musical talents with others. Our band remains open to individuals of all skill levels, ranging from amateur to professional musicians. We rehearse weekly to prepare for concerts, ensemble exhibitions, and community events at request. Our repertoire includes a wide variety of musical genres, such as classical, jazz, folk, and pop.

Currently, 7 board members and 5 committee chairs lead the organization. The board includes President, Vice President, Secretary, Treasurer, and 3 at-large members, with intentions to increase the board by 2 at-large members for a total of 9 board members by the end of 2024. Committee members include Small Ensembles, Fundraising, Hospitality, Concert Operations, and Social Media/Web Design. Both the board and committee chairs work and meet in tandem to increase the visibility of Montgomery Community Band, improve and adjust operations as needed, and strategize on ways to increase our funding stream to ensure a permanent place within The City of Montgomery.
