

STRUCTURE #1 SHOWN ON PLAT DESCRIPTION:

- 4,200 sqft barn
- Partial two-story, built to housing codes
- Will be heated and cooled
- Most of the space is a large open living room and kitchen area to be used for family gatherings on holidays, etc.
- Exterior will include a pool, spa, and covered porch area
- The structure will look like a barn but will be built to standard housing codes.
- The exterior of the structure will be a combination of wood, hardi-board, stone and brick. No metal exterior.
- The driveway form Trilogy Lane will be consistent and the same surface as Trilogy Lane, compacted stone/cher base
