

Detached 2 car garage

An aerial photograph of a rural property. A yellow line outlines the main property area. A dashed white line runs horizontally across the lower portion of the property. Several red annotations are present: a cloud-like shape around a small building, a cloud-like shape around a larger building, and a rectangular box around a small structure. Red arrows point from text labels to these features. To the right, a road separates the property from several other residential lots, each containing a house.
