RE: Dr. Mike Tyler - End of Term on Mount Pleasant Board of Public Utilities

Dear Mayor White:

I hope that this letter finds you well. I just wanted to let you know that the term for Dr. Mike Tyler on the Mount Pleasant Board of Public Utilities, commonly referred to as The Mount Pleasant Power System Board of Directors, will expire on March 31, 2026. I would like to respectfully ask that Dr. Tyler be considered for reappointment for another four-year term to this Board.

Dr. Mike Tyler has been a well-respected businessman and member of our community for many years. He has served this Board and the rate payers of the Mount Pleasant Power System in a very professional and dedicated manner since April 2006. He replaced Ted Sisco as Chairman of the Board in April 2009 and currently serves in that position. Dr. Tyler brings a wealth of experience and leadership that is extremely valuable and irreplaceable to our organization.

Please feel free to contact me with any questions that you may have. I certainly appreciate your time and consideration.

Sincerely,

A handwritten signature in blue ink that reads "Albert W. Kerstiens". The signature is written in a cursive style with a prominent flourish at the end.

Al Kerstiens, General Manager
