

# City of Moberly City Council Agenda Summary

Agenda Number: \_\_\_\_\_  
Department: Police  
Date: July 15, 2024

**Agenda Item:** A Resolution Authorizing The Purchase Of A Police Mobile Command Vehicle From Ed Morse Chevrolet GMC North.

**Summary:** Moberly Police Department's current mobile command vehicle is no longer serviceable and must be replaced. A large delivery van meets our operational needs both as a mobile command vehicle and a transport vehicle. As this is an unbudgeted purchase, permission to utilize monies from the recent sale of surplus patrol vehicles to pay for this vehicle was authorized by the City Manager. After searching local dealers and internet searches, a vehicle meeting our specifications was located at Ed Morse Chevrolet in California MO, a Dodge Ram Pro-master 3500 extended high roof cargo/delivery van listed at \$24,999 with 135,575 miles. Similar vehicles were located on cars.com but all were located out of state. Prices for the other vehicles are \$23,924, \$22,165, \$29,995, \$26,386. The vehicle at Ed Morse Chevrolet was not the lowest priced vehicle, it was the only one within a reasonable distance from Moberly. Staff recommends purchasing the 2015 Ram Pro-Master 2015 van from Ed Morse Chevrolet. Transportation costs and associated fees raised the purchase price from \$24,999 to \$25,499.
