Dear Mr. Ryan

The FFAM Awards Committee reviewed all of the submitted applications for the 2024 FFAM grant. This is the sixth year the grant program has been available from the FFAM and the allocated funding available was \$10,000 total for the entire program. There were an outstanding number of applications received.

It is our privilege to inform you that following review of all submitted applications, your agency's application was selected. However, in an attempt to award grant money to multiple FFAM member agencies, the award granted to your agency is in the amount of \$430.

Please submit receipts for purchased items in relation to the grant to Jaime Miller, FFAM Secretary/Treasurer, no later than December 1, 2024, for your agency to be reimbursed for up to \$430

Sincerely,

Joe Vaughn
Chairperson
FFAM Awards Committee
