

City of Moberly

City Council Agenda Summary

Agenda Number: _____
 Department: Police
 Date: August 5, 2024

Agenda Item: A Resolution Authorizing Use Of Notionfront To Provide Promotional Services To The Moberly Police Department.

Summary: Current recruitment pamphlets for the Polic Department are severely outdated and obsolete. They require moderation for the Police Department to be more competitive with recruitment of both commissioned officers and police cadets. Notionfront proposes to provide the Police Department with video productions, photography and promotion materials. Staff are unable to produce the quality videos and images that are needed for this project. A budget of \$5,000 dollars was approved by the City Manager, Mike Bugalski, for this project. Notionfront is local and highly recommended and has provided similar very successful productions for several vendors and projects in Moberly.
