Thank you for your interest in Rent.Fun's self-service kayak rental program.

Rent.Fun provides self-serve kayak rental products and support services as a full-managed service to government agencies across the US, providing everything that government agencies need to offer convenient kayak rentals to their community.

Our service includes kayaks and kayak accessories, fully-enclosed kayak storage secured by app-controlled smart locks; professional maintenance services that includes preventative maintenance and equipment repair by certified mechanics; a front end mobile application that enables users to rent and unlock kayaks with a touch of a button; and a 24/7 customer support service to guide users through technical and billing issues.

Each component of our product and service - including our proprietary smart kayak locker - were designed, developed, and manufactured by us and are sold and distributed exclusively by Rent.Fun, LLC.

Furthermore, while there are multiple companies that sell various forms of self-service kayak rental *equipment*, rent.fun is the only company that offers self-service kayak rental equipment with ongoing operational support, as a complete service available for purchase by government agencies. There are no other companies capable of providing self-service kayak rental equipment, software, and support service. Further, there are no other agents or dealers authorized to represent rent.fun's products and services.

If you have any questions, please feel free to call us at (617) 686 0667.

Sincerely,
